

NEW YEAR BEGINS WITH **VERDEK 2.0**

**A NEW CHAPTER BEGINS
WITH 2024
HAPPY NEW YEAR**

**WELCOME TO
VERDEK 2.0**

Dear Valued Clients and Partners,

As we enter the New Year, I would like to extend my warmest greetings to each of you. This moment is not just a transition into 2024 but also marks the exciting launch of VERDEK 2.0 – a milestone in our journey towards revolutionizing the electric vehicle (EV) infrastructure.

Our renewed mission, "Make EV infrastructures affordable, accessible, and sustainable," is more than just a statement, it's a commitment to you, our clients, and our planet. We believe that the future of transportation is green, and we are dedicated to making that future a reality today.

Our vision, "Ensure green transportation infrastructure around the country," sets the stage for a transformative year ahead. We promise new opportunities, enhanced quality, and a new standard of service that you rightly deserve. With VERDEK 2.0, we are not just upgrading our services, but we are redefining them.

As we embark on this journey, we look forward to your continued partnership. Together, let's pave the way for a sustainable future, making EV charging not just an option, but a norm across the nation.

Thank you for your unwavering trust in us. Here's to a prosperous, green, and innovative 2024!

With best wishes,
Guy Mannino

Verdek was founded with the commitment to shift the transportation sector from fossil fuels to renewable energy. After 15 years in business, Verdek has completed over 5,000 installations across the US, partnering with government entities, corporations, fleet operators, and public transit agencies.
